

NOTICE TO MEMBERS

NASFUND Contributors Savings & Loan Society is pleased to announce the introduction of its EFTPOS Facility at the NASFUND Client Service Centre at Four mile. This service will now enable members to make saving deposits or loan repayments using their bank debit cards, if employers are unable to effect payroll deductions. Members who also wish to make additional savings or loan repayments outside of normal fortnightly deductions are welcome to use the facility as well.

The EFTPOS facility is available to BSP, ANZ and Westpac bank account holders.
